

KX 525

CRISTINA

Single lever kitchen mixer with right side lever

28 Stainless steel

TECHNICAL INFORMATION

mixer body entirely in AISI 316 stainless steel

water- saving (double-release) $\varnothing 35$ mm LLC ceramic disc cartridge

smart water release system that prevents splashes in case of limited space between the mixer and back wall and helps saving energy due to cold water vertical position

Cascade[®] Neoperl M 24 x 1 anti-limescale aerator

swivel spout with limited rotation system

sink fixing system with lower underpinning

certified G3/8 supply hoses with non-toxic, burst proof inner pipe, with anti-torsion system for easier installation
